Arrest

On Friday 01-25-2019 at approximately 1643 hours, I was notified by the desk officer Trooper Gerad Lethin that he had received numerous phone calls for a white SUV heading West on I-90 from the Route 128/I-95 area towards the Barracks with a man on the hood. At this time of day it is in the middle of rush hour and traffic heading westbound is stop and go. Traffic is heavy from about 1530 hours to about 1900 hours, this time of year. At this time I was heading West on I-90 approaching exit 12 in Framingham around the 112 mile marker. I had to make a flip at exit 12 and head back East. Trooper Daniel Myers advised that he had just pulled into the Barracks and stated he was going to go to the incident. Trooper Myers advised the desk that he was out with that car at the 120.6 mile marker. Trooper Myers had stopped in the eastbound median and noticed a male party with a black handgun. Trooper Myers drew his weapon and had the male party put down the handgun and jumped the cement median barrier, took the handgun and placed the male party in handcuffs, till he could determine what was going on. Moments later Trooper Matthew Haidul arrived on scene to assist, he was on the westbound side and pulled behind the white Infinty. I arrived on scene about 6 minutes later, on the eastbound side and pulled behind Trooper Myers cruiser.

When I arrived on scene, I noticed a white Infinity SUV in the left median with a broken windshield. The operator of that vehicle was later determined to be FITZGERALD, Mark [REDACTED] of Ashland MA. The male party who was on the hood was identified as KAMROWSKI, Richard [REDACTED] of Framingham MA. I spoke with FITZGERALD and KAMROWSKI about what had happened. There was also several other male parties standing outside of cars in the left lane and median. I did notice that one man was in handcuffs. Trooper Myers advised me what had happened.

FITZGERALD seemed very upset and was smoking from a vape machine. FITZGERALD stated that he was traveling West on I-90 in the left lane, just West of Route 128/I-95, when his vehicle was hit when the pickup truck KAMROWSKI was driving went into the left/ 4th lane and hit his SUV. He then stated that he did not stop and was not going to pull over and exchange information or dial 911. He then stated as he was driving, traffic was stop and go. The next thing he noticed was KAMROWSKI was walking up to his vehicle. He rolled down his passenger side window. The two exchanged some words and KAMROWSKI grabbed a water bottle off of the passenger side seat. KAMROWSKI then walked in front of the Infinity. FITZGERALD stated that he then started to drive and KAMROWSKI jumped on the hood of his SUV and smashed the windshield with the water bottle. FITZGERALD stated that he was in fear for his safety so he started to drive with KAMROWSKI on his hood. FITZGERALD stated that he had stopped several times and told KAMROWSKI to get off of the hood and he refused to so he drove some more. About 2 miles up the road several cars boxed him in and he stopped in the median. He stated a man exited one vehicle and pointed a gun at him and asked him to exit the car and get on the ground.

KAMROWSKI stated that he was traveling West in the third travel lane just West of Route 128/ I-95. KAMROWSKI stated that FITZGERALD drifted over into his lane and hit the mirror of his truck and folded it forward. He stated he did not know if his mirror was broken. He stated that he just wanted to exchange information with FITZGERALD regarding the minor crash. KAMROWSKI stated that FITZGERALD just kept on driving. KAMROWSKI stated that traffic was heavy and it took him a little bit of time, but he was able to get in the left lane behind FITZGERALD. KAMROWSKI did not call 911.

The undersigned alleges the following as a ☒ full or ☐ partial statement
of the factual basis for the offense(s) for which a criminal complaint is sought

KAMROWSKI stated that traffic had stopped and he exited his pickup truck and walked up to FITZGERALD in the white Infinity SUV, the passenger side window was rolled down by FITZGERALD. KAMROWSKI stated that he asked FITZGERALD to pull over and exchange information. KAMROWSKI stated that FITZGERALD told him that he was not going to pull over. At this point KAMROWSKI grabbed a water bottle on the front passenger seat and walked in front of the Infinity. KAMROWSKI stated that he asked FITZGERALD to pull over. KAMROWSKI stated that FITZGERALD then pulled his SUV forward almost striking him. FITZGERALD was yelling at KAMROWSKI to get out of the road. KAMROWSKI then states that FITZGERALD drove forward more, causing him to jump onto the hood to not get run over by the SUV. FITZGERALD started to drive down the highway and KAMROWSKI smashed the water bottle into the windshield breaking it. KAMROWSKI then stated FITZGERALD continued to drive down the highway, he would speed up fast and hit the brakes fast, trying to get KAMROWSKI off the hood. KAMROWSKI stated at one point he felt the SUV was going about 60 to 70 MPH. KAMROWSKI stated that he thought he was going to die. They then ran into traffic and FITZGERALD had to slow down. Then a group of cars boxed in the SUV and forced it into the center median. Now that the SUV was boxed in, KAMROWSKI felt safe enough to get off the hood and he did.

I spoke with several eye witness' who's had taken some video of some of the incident and called 911. One eyewitness was identified as SCHUR, Amir [REDACTED]. SCHUR stated that he did not witness the crash, but he did see when KAMROWSKI was at the white SUV. SCHUR stated that KAMROWSKI approached the Infinity and went to the front passenger side window. KAMROWSKI and FITZGERALD were arguing. He stated KAMROWSKI then walked in front of the Infinity and the Infinity drove forward toward KAMROWSKI and he jumped on the hood to avoid being run over. He stated that the Infinity then started to drive away with KAMROWSKI on the hood. He said the Infinity would speed up and step on the brakes hard, quickly starting and stopping, attempting to throw KAMROWSKI off the hood. He said that he and several other vehicles were trying to block the Infinity, but the Infinity stopped quickly, then suddenly sped off changing lanes and accelerating to a high rate of speed. SCHUR was able to catch up the Infinity further up the roadway and was able to force the Infinity to the median and stop, with the assistance of several other vehicles. SCHUR ran around the Infinity and attempted to open the driver's side door, but FITZGERALD closed the door. SCHUR sent me a copy of the video that they had taken. The front passenger side window is still open in the video and the front windshield is broken on the Infinity.

I also spoke with FUSCHETTI, Raymond [REDACTED]. He stated that he did not witness the accident, but saw KAMROWSKI approach the Infinity. He stated that KAMROWSKI appeared to very angry as he approached the Infinity. He stated KAMROWSKI went to the passenger side of the Infinity to the front door. He stated that KAMROWSKI leaned into the open window and KAMROWSKI and FITZGERALD were arguing. FUSCHETTI stated that he could not see exactly what was going on, but thought they might be hitting each other. FUSCHETTI then started to film the incident with his phone. He stated that KAMROWSKI walked in front of the Infinity and jumped on the hood. The Infinity then started to drive. He said the Infinity would speed up and brake suddenly. He said several vehicles had the Infinity boxed in, but it stopped and took off changing lanes and sped up to an estimated 70 mph. The Infinity then ran back into traffic and he and several other vehicles were able to box it in and got it to stop at the 120.6 mile marker in Weston. FUSCHETTI stated that he would email me a copy of the video, but I have yet to receive it. FUSCHETTI stated that he was in front of the Infinity when it stopped.

I spoke with HERNANDEZ, Frankie [REDACTED]. He stated that he was driving westbound on I-90 and noticed a white Infinity pass him with male party on the hood. HERNANDEZ stated that several cars got the Infinity to pull over, but there was a gap in front of the Infinity. He pulled his vehicle directly in front of the Infinity and exited his vehicle. HERNANDEZ is licensed to carry a firearm. He stated that he was in fear of the safety of the man on the hood. He drew his firearm approached the Infinity and told the driver to exit the vehicle and get on the ground. KAMROWSKI was able to slide down the hood of the Infinity and get to safety. The driver FITZGERALD exited the vehicle but did not get on the ground. Moments later Trooper Myers arrived on scene and noticed HERNANDEZ had a black handgun. Trooper Myers drew his weapon and ordered HERNANDEZ to put the weapon down and he complied. Trooper Myers then placed HERNANDEZ in handcuffs till he could figure out what was going on. Several bystanders advised Trooper Myers that HERNANDEZ was just a Good Samaritan helping out. HERNANDEZ license to carry was verified and his firearm was later returned to him.

Based on the information KAMROWSKI was placed under arrest for the following offenses: 272-53 Disorderly Person and 266-28 Malicious Damage to a Motor Vehicle. Trooper Myers placed KAMROWSKI under arrest. He was transported back to the Barracks where he was booked, photographed, allowed use of the telephone, advised of his Miranda Rights, fingerprinted and placed in cell #1. KAMROWSKI had no BOP.
